

Amendments to the Drawings:

Figure 3D has been amended to add corresponding sequence identifiers after the listed sequences. The amended Figure 3D is herein included as a replacement sheet.

Remarks

Amendments to the Specification:

Paragraphs [0177], [0191], [0195], [0196] and [0197] of the specification have been amended to add the corresponding sequence identifiers for the sequences given.

Paragraph [0192] has been amended to remove the incomplete sentence. The Applicants delete this without prejudice or disclaimer to add the information in a continuation application.

The Applicants believe that all the sequences disclosed in the specification are included on the sequence listing as filed. Therefore the Applicants believe that the sequence listing as filed and the specification as amended comply with 37 C.F.R. 1.821-1.825.

Amendments to the Drawings:

Figure 3D has been amended to add corresponding sequence identifiers after the listed sequences. The amended Figure 3D is herein included as a replacement sheet.

Conclusions

It is believed that no fees are required with the filing of this amendment. However, if additional fees are required the Office is hereby authorized to deduct such fees from, or credit any overpayment to, Deposit Account No. 503994.

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.
